With Best wishes and invoking Divine Blessings!!

SHALA PARVESH

“ *A new day brings in new hopes, A new day brings in new scopes!*”

The Havan ceremony was organised in our school on 5th April 2018 to seek grace and choicest blessings of the goddess Saraswati for the students.

Blessings of the Almighty were sought in the quest for knowledge with the commencement of the new sessions 2018-19. The students recited prayers and *shlokas* to mark the beginning of the new session making the atmosphere pious and sacred. Members of the management, Principal, Vice-Principal, HM, teachers and all the students participated in *Yagna* with the holy belief that it would bring health, happiness and prosperity for all.

SPS unveiled the academic session with hearty welcome ceremonies, orientation programmes and newly devised policies on pedagogical and co-scholastic front.

Let's set to getting better, stronger and faster with the freshness and novelty of new members in SPS family.

SPIC MACAY

“ *SPIC MACAY is a voluntary Movement....
of the youth, for the youth.....!*
SPIC MACAY is “YOU”.....

Spic Macay is a society for the promotions of Indian classical music and culture amongst youth.....

Its role is to teach the essence of our core Indian values in the psyche of each and every individual.

Be part of our global family..... This initiative makes education more holistic and meaningful as it highlights all that is abstract, subtle, inspiring and mystical in the world teaching one to look within oneself. The SPS has been fortunate enough to be backed by a team of very motivated and dedicated colleagues of SPIC MACAY who know their job and are result oriented. SPIC MACAY did nurture and stroke our creative pursuits. We felt proud in inviting Ms. Meeta Pandit, a *Hindustani* classical vocalist belonging to the Gwalior *Gharana* for a skill based session at our campus. She is the granddaughter and disciple of Krishnarao Shankar Pandit. She is the sixth in the unbroken lineage and the first women in the family to have taken up music as a profession. The show commenced with the traditional lighting of the lamp. School Vice-Principal Mrs. Gayatri Kanwar welcomed the sitar Recital exponent and her team of accompanying artists. The performance received much praise from the young audience who were thrilled and spellbound to get a taste of flawless performance on the strings of a sitar.

ATAL COMMUNITY DAY

“ Without change there is no innovation, creativity or incentive for improvement.....

SPS celebrated the ATL Community Day. It was a great initiative to foster an environment of innovation and creativity. Children from classes VI to VIII were engaged in DO-IT-YOURSELF activities to explore the world of tinkering and change. The children made many things with the newspaper. They also learnt how to make paper circuits. The children were shown the 3D printer, and they were amazed to see 3D prints.

INVESTITURE CEREMONY

“ *The very essence of leadership is that you have to have a vision. It's got to be a vision you articulate clearly and forcefully on every occasion. You can't blow a weak trumpet.* ”

SPS held its Investiture Ceremony for the academic session 2018-19 recently. The event was graced by Honourable Chief guest Mr. Anil Gupta, members of school managing committee. The event also witnessed the presence of the parent community of the office bearers. The young leaders stood upright with their heads held high and their hearts in humility as each picked up their precious positions. **The head boy Aditya Kukreja, The head girl Arsh Kaur** along with ample office bearers received their badges. The newly elected council members took an oath and pledged to work earnestly and keep the school motto of 'Education is a golden path' in high esteem. They promised to disburse their duties and responsibilities proactively and diligently. The event ended on a note of positivity and willingness, with the council promising to take up challenges that would come their way. The cultural programme kept the audience glued to their seats.

TASTE BUDS (CLASS – IV)

Our tongue is covered with thousands of tiny bumps that look like little warts. These are called taste buds. It is very necessary to know different kinds of taste buds that pick up the sweet, salty, sour and bitter tastes. An activity was conducted on taste buds in class IV on 14 May 2018. The students brought different things like lemon, chocolate, coffee powder, bitter guard, biscuits and raw mango. All tasted the things to know whether it is sweet, salty, sour or bitter taste. This was a good experience for the students and all enjoyed a lot!!

SPS received acclaim for the impressive win under 14 football match held between Swarnprastha and Apollo International School. Swarnprastha won by 3-1.

“ *A Sheer appreciation is a motivation for life.*”

WORLD BOOKS AND COPYRIGHT DAY (CLASS II)

INTER-HOUSE ENGLISH/HINDI POEM RECITATION (CLASSES III-V)

Children are endowed with the gift of speech, with variants in pitch, volume, pace, rhythm, tone and expression. Recitation allows them to become familiar with the nuances of a language, including sentence patterns and parts of speech, thus deepening their understanding of the language. Poem recitation is skills encompassing the development of speech, expression of feelings, as well as stage confidence and school is the best platform for it. To develop such skills, English-Hindi poem recitation competition was held on 23rd May in which students participated with great enthusiasm and came out with great ideas on various topics. They presented their views on the topics such as Our Kith and Kin, Mother Earth and many more.....

INTERNATIONAL CHESS TOURNAMENT AT OUR SCHOOL

“No doubt chess makes a man wiser and clear-sighted!!!”

Irving Charnel

“Every chess master was once a beginner.”

Second Sardar Prakash Singh memorial FIDE Rated Chess Tournament was organised in our school from 17 to 22 April 2018. A chess tournament is a series of chess games played competitively to determine a winning individual or team. Chess tournament was mainly held in round-robin style, Swiss System style or elimination style to establish a winning party. The event was attended by many eminent personalities. We look forward to such games in the coming future...

Children eagerly participated in the competition to exhibit their creative skills in various topics like “My pet”, “My toy”, “Earth Day”, “Cityscape”, “Landscape”. Students proved that they do not only excel in academics, but also shine in exhibiting their skills by their creative presentation. As per their age level topics were given. From each class the best 5 paintings were selected and given positions. Since art does not have any rules and regulations, it was easy for kids to cherish the joy of making something which was uniquely theirs.

“ I think when you're blessed with great influences,
you need to spread it.”

The school had organised Inter-House English Declamation Competition for classes VI to VIII and Debate Competition for IX-X. The students conveyed a message with clarity, emotion and persuasiveness. The participants put in their best foot forward. Such competitions not only give confidence and encouragement to the speaker but also serve as a source of inspiration for the others.

DISASTER MANAGEMENT

“ Never defeat people, Just win them.”

Understanding is deeper than knowledge. When you move your focus from competition to contribution, life becomes a celebration.

Fire is a very good servant, but a very bad master. As long as fire is under our control, it serves a lot of useful purposes for you, but once it goes out of our control, it can create a lot of destruction. Keeping this in mind, our school organised an Interactive session on Disaster Management on 2 May 2018 for classes VI to XII. The students were excited to learn about a fire extinguisher. A fire extinguisher is an active device used to extinguish or control small fires often in emergency situations.

WINAUM HANDWRITING CONTEST (CLASSES I – V)

A neat and beautiful writing always seeks the attention of others. To develop awareness and love for good handwriting, a handwriting competition was conducted on 24 March 2018 in Defence Service Officer's Institute, Gurugram by Winaum Learning.

MOTHER'S DAY

“*Mother is the name for God in the lips and hearts of little children.*”

Mother's Day is a special day of the year, dedicated to all mothers. It is celebrated all over the world. The students of SPS were given an opportunity to show their appreciation for their mothers, a day before Mother's day. We all know how much moms deserve, and the mothers of our students are no exception. They deserve a good Mother's day surprise that will make them smile. Mums are like buttons, they hold things together.

INTER-HOUSE SINGING COMPETITION (VI-X)

“ *Children are the greatest stress busters - sing, laugh, dance with them.....* ”

Sufism is the perfection of worship. It is the devotional music of the saints. The children of SPS enjoyed the flavour of Sufi music on 25 May 2018 with complete enthusiasm. The audience enjoyed to the utmost. It was indeed a neck to neck competition. The runner-up trophy was bagged by Lakshay House, and winner's trophy was grabbed by Prayaas House.

Children of Nursery & KG recited the rhymes in groups which encouraged them to be more confident.

FUN & FROLIC - TALENT HUNT SHOW

Talent is an inborn quality and we know every child is talented in some area. To polish this quality of children we gave platform to our children, so that they can boost up their confidence without any fear of competition. By this small event, we also found many hidden singers, dancers and dramatists.

PUPPET SHOW (PRE-NURSERY TO KG)

Puppets are fun for all ages. Teachers of Swarnprastha Public school through their determination and creativity had put up a mesmerizing Puppet Show for Pre-Primary Children on 9th May. SUMMER CAMP

“ True enjoyment comes from activity of the mind and exercise of the body; the two are ever united.”

-Karl Wilhelm Von Humboldt.

Summer is not just about sweltering heat, it's also the time to mix learning with a lot of fun and frolic at the summer camp. SPS organised a 10 Days summer camp from 28 May to 8 June 2018 to keep children engaged during the summer vacation, have the artistic skills of the children, improve their physical fitness and focus on the overall personality development of the students.

Three cheers to SPS!!!!

RED COLOUR PARTY (PRE – NURSERY)

Enthusiasm of RED COLOUR PARTY was full of joy and thrill. Students carrying a big smile entered the school. All dressed in RED. While the party was on, students enjoyed dipping palm in Red colour to make fish in their art file. Few games and music to dance added to the beauty of the party. Many moments were captured in the camera. After celebration each student carried a Red flower (craft) to enhance the beauty of their room.

ATAL INAUGURATION

“BIG ‘O’ MOMENT.
Changes call for innovation and innovation leads to progress.”
