Schedule will be shared with you soon.

As per directives, you are requested to submit a **Health Fitness Certificate** issued from any PHC/CHC/Civil Hospital, which should not be older than 72 hours/ 3 days on the day the student joins the school.

Although we have made all arrangements for the safe conduct of teaching by thoroughly implementing health guidelines and instructions issued by Government of India, however, your cooperation is absolutely necessary to support us in holding classes safely by ensuring the following:
