LITERARY WEEK*"Literature is the Immortality of Speech"*

Dear Students

We are celebrating 'Literature Week' in the month of July. The Literary week aims to foster among children the love for literature and challenging students to read every day because 'reading accelerates success.' It also aims to enhance students' explorative thinking skills, sharpen the LSRW (Listening, Speaking, Reading and Writing) skills and to learn the correct usage of spoken English. The ability to speak and write correctly matters, because it allows you to communicate with ease, to make yourself understood.

Swarnprastha announces **Celebration of Literary Week on 8th and 9th July 2021**, where in different competitions will be held.
