### Best out of Waste

"Creativity is making marvellous out of the discarded."

Dear Parents,

To enhance the creative skills of the children and give path to their innovative ideas, we have planned an **Intra Class Best out of Waste** competition for the students of Classes III-V on **20 April 2023 (Thursday)**.

Kindly note the important points regarding the competition:

- Duration of the competition: One hour
- Venue: Respective Classrooms
- Children can make any decorative or useful item by using waste material only.
- They need to bring their own required material to prepare the craft item. (Sharing will not be allowed)
- They are to bring the cut outs from home.  
(Use of hot glue guns & scissors is strictly prohibited)
- Waste material can be anything like tetra packs, waste bottles, newspapers, old utensils, jute material or any other used/ waste item(s).
- Participants will be judged on **creativity, utilization of resources, eco-friendly rating, utility of the product and overall presentation.**
- Please don't send readymade items.

Parents are requested to encourage their ward(s) to participate in Best out of Waste competition by helping him/ her in creating and designing something new from the waste material.

**ALL THE BEST!!**
