“Fill your paper with the breathings of your heart”

Dear Parents

Greetings of the day!

Swarnprastha Public School is conducting an Informal letter writing competition for classes VI-XII to bring some of the forgotten magic back into our world. In the age of text messages, emails, and social media, we are in danger of losing this art. Keeping this in mind Swarnprastha is providing a beautiful medium of expression that is the power of a handwritten letter to all the students on 05 July 2023 (Wednesday).

Aim of the Competition

- To make young people aware of the important role played by the postal services in our societies
- To develop their skills in composition and expression of thoughts
- To foster enjoyment of letter writing and help strengthen the bonds with family and friends.

Instructions for the competition

- Topic will be given on the spot.
- Participation is mandatory for all the students.
- Word limit for classes 6 to 8 is 100-120 words; 9 to 12 is 150-180 words.

It is your chance to show off your letter-writing skills and become a winner and hoping for YOUR active participation.
