

SWARNPRASTHA PUBLIC SCHOOL, SONEPAT

CLASSES / NURSERY – 12

Dear Parent,

Greetings of the day!

We, at Swarnprastha Public School, have always believed that the holistic development of the students is a cumulative effect of the influences exercised by the parents and teachers on their lives. Parent teacher interaction bridges the gap between the parents and mentors of the students while providing an opportunity to discuss the students' progress while also shedding substantial light on their areas of improvement.

This is to apprise you that the **Parent Teacher Meeting** is scheduled on **Friday, 24.05.2024 between 8:00 a.m. to 10:30 a.m.**

We therefore request you to visit the school in person for the same as per the time slot mentioned above.

Warm Regards

Team Swarnprastha
