*"Mother's love knows no boundaries as it grows stronger each day, knows no season as it transcends forever through eternity"*

Dear Parents,  
Greetings of the Day!

Mother's Day is a celebration of love, care and the special bond we share with our mothers. To honour this beautiful occasion, the school is organizing a **Mother's Day Craft Activity** for students of Classes 3 to 5 on **3 May 2025 (Saturday)**. This creative session is designed to inspire children to express their heartfelt emotions through art and craft in their own unique way for their benevolent mothers.

**Kindly note the following points regarding the activity:**

- ✓ Students can make any handmade craft that represents gratitude and affection.
- ✓ All students must bring their own supplies (coloured paper, glue, markers etc.).
- ✓ Participation is mandatory for all the students.
- ✓ Students can prepare craft cutouts at home and bring them to school on the day of activity.
- ✓ Hot glue guns and sharp scissors are not permitted due to safety norms.
