Dear Parents,

Greetings of the day!

We are delighted to inform you that our school is organising a **Fashion Show** for students of **Classes 1 and 2 on 9 & 10 July 2025**, based on the exciting and educational theme: **“Life Across Land and Sea”**

This event aims to foster creativity, confidence and environmental awareness among our young learners. We encourage every child to participate and express themselves through innovative costumes and props inspired by the theme.

Kindly note down the following points:

- Students should come **dressed from home** in their themed costumes with **light makeup**.
- Students may dress up as animals, sea creatures, plants or elements from either land or sea. This could include forest creatures, marine life, or natural elements like trees and flowers.
- Students have to speak a few lines about the character they are portraying.
- Kindly ensure the costume is comfortable and safe for the child to wear.

Judgement Criteria:

- Costume and Props
- Relevance to the theme
- Confidence and Stage Presence
- Brief Description/Message Presentation
(NOTE: The judges' decision will be final)

We look forward to your enthusiastic support in making this event a fun and memorable experience for the children.
