Circular: Dental Checkup

Classes: Nursery to 12

“Healthy teeth are the foundation of a healthy body.”

Dear Parents

Greetings of the day!

As a part of our ongoing efforts to promote health and wellness among our students, a **Dental Check Up Camp** will be organised during school timings for classes **NUR to 12 from 09.07.25 (Wednesday)**. The primary objective of this Dental Checkup Camp is to detect dental problems early to prevent complications and to educate students on preventive measures & healthy oral habits.

This initiative aims to ensure students maintain good oral health, reduce the risk of dental diseases and foster lifelong habits for healthy teeth and gums.

To facilitate the smooth functioning of the camp, we kindly request you to ensure that your child is present in the school on the designated day.

Warm Regards

Team Swarnprastha
