## **AFS COLLABORATION & STUDENT EXCHANGE PROGRAMS FOR 2026-27**

Dear Parents,

We are delighted to announce that **Swarnprastha Public School has partnered with AFS Intercultural Programs**. AFS Intercultural Programs is a global non-profit organization that provides international student exchange, intercultural learning and global citizenship education opportunities in more than 99 countries. It helps young people, educators and families develop skills for cultural understanding, leadership and peacebuilding.

### **🌟 AFS Participation Report – 2025**

Throughout the year, our students and educators actively participated in a range of AFS initiatives, including:

- Creative competitions such as *Canvas Clash*, *The Web Wizards*, *Crypto Clash*, and *Waste Wise Challenge*.
- Skill-based activities like *Brochure Making*, where our students earned recognition for their outstanding work.
- International workshops for both educators and students, focusing on *Global Classrooms*, *Changemakers*, and *Global Citizenship Education*.
- Creative showcases such as *The Film Through Ink*, where our students qualified for the final round and received merit certificates.
- These experiences reflect the enthusiasm and commitment of our school community to embrace intercultural learning and global citizenship.
- 🎓 **Global Competency Certificate Program:** We are proud to share that **four of our students are currently enrolled in the Global Up Teen Program**, strengthening their skills in leadership, collaboration and intercultural communication.

### **STUDENT EXCHANGE PROGRAM – 2026–27**

- As part of our AFS collaboration, students will now have the opportunity to participate in **international exchange programs** in the upcoming academic session.
- Parents and students interested in exploring these exchange opportunities are requested to view the brochure of available student exchange program. **Brochure:**
