Dear Parents,

We are delighted to announce that **Swarnprastha Public School has partnered with AFS Intercultural Programs.** AFS Intercultural Programs is a global non-profit organization that provides international student exchange, intercultural learning and global citizenship education opportunities in more than 99 countries. It helps young people, educators and families develop skills for cultural understanding, leadership and peacebuilding.

This is to share with you that the **AFS Hungary Short Term Program 2026, is now OPEN!!!**

### **Home Stay and Hungary Trip 2026 (2 May - 29 May 2026)**

Unique cultural visit in Budapest with trips to the countryside, home stay and some school life! Explore Hungary through cultural visits, sightseeing, and team-building activities. You'll experience both Budapest and the countryside, discovering key sights and forming a strong group bond. Living with a host family allows students to immerse themselves in Hungarian family life and education, offering a deeper cultural experience. The program includes orientations at the start and end of the stay.

#### **Program Highlights**
