

SWARNPRASTHA PUBLIC SCHOOL
HOLIDAY HOMEWORK
SESSION: 2024-25
CLASS 5

**Summer Vacation! It's time for adventure,
opportunities, fun and exploration**

The very words “summer vacation” conjure up warm feelings of longing and reflection. Summer vacation can be a great time for kids to explore new interests, develop new skills, and engage in activities they enjoy. We, at Swarnprastha Public School, ensure that the students have relevant holiday homework assignments that align with curricular objectives and encourage meaningful learning as it plays an important part in the overall educational experience of the children.

The Holiday Homework encircles around the motto of ‘Art Integration- Fun with Learning!’ along with the United Nation’s Sustainable Development Goals (SDG).

The importance of devoting attention to sustainable development is critical for the future of the planet and give students exposure to diverse experiences making them more empathetic and caring towards environment. Assignments are intended to foster learning and development while enabling students to take the break they have earned and participate in extracurricular activities that benefit their overall growth and development. Children will be able to do these assignments independently. However, Parents can fortify the relationship between themselves and their children by providing direction, support, and aid whenever required. It can also contribute to developing a constructive learning environment at home during summer break.

You can also download the Holidays’ Homework from the school website (www.swarnprastha.com) for your convenience and in case of any clarification, you may contact the teacher concerned as it shall be a part of the Internal Assessment.

May your Holidays shine bright!

MINDFULNESS ACTIVITIES

“Mindfulness is not just a state of mind but a way of life.”

School has taken an initiative to incorporate Mindfulness Curriculum as a part of Life Skill to ignite awareness about their own qualities. It strengthens the development process and lay emphasis on focus, resilience and self discipline. Children enthusiastically participated in engaging activities conducted in their classrooms.

To continue the fun and learning of Mindfulness activities, choose any one of the following tasks to be done during the vacations.

- Students are to maintain a ‘Gratitude Journal’ (for any ten days) during holidays to foster the art of gratitude. They can write their special moments along with their experiences like visiting grandparents, spending time with cousins, appreciating nature etc. and bring the journal in the school after the holidays.

“OR”

- Colouring is an art which brings hand and mind in accord and the best practice to do this is through ‘Mandala Art’. Children are to colour any Mandala Art and invest time in colouring it mindfully. They are to paste this art in their Life Skill notebook. Please show it to the Life Skill teacher after the holidays.
